## ***“Friends of Felling Field”*** **Highlights of Banner Program**

**Initial Cost: \$250.00**

We order your banner from a local vendor to our specifications using your logo/information. The banners have been lasting over 4 to 5 years and we have several banners at 6 years old. Your initial cost covers the first year’s rent as well.

**Annual Advertising Rate: \$75.00**

We invoice you annually for the current advertising rate. If paid prior to the season your banner will be in place during opening ceremonies that year and for the entire season.

**Storage:**

We will store your banner in original packaging in an effort to prolong the life of your banner. Should you desire to store your banner in the off-season you will be required to return it to us for use at Felling Field by April 15<sup>th</sup> in order to ensure we have time to place it for the upcoming season.

**Note:**

After 4 Seasons, we reserve the right to request replacement of your banner based on wear and tear.
